### **BOARD MOTION OF FEBRUARY 8, 2011, AGENDA ITEM 7 LOCAL WORKER HIRING DATA FOR HARBOR-UCLA SURGERY/ EMERGENCY REPLACEMENT PROJECT**

The following is in response to Supervisor Mark Ridley-Thomas' motion as amended by Mayor Michael D. Antonovich and approved by your Board on February 8, 2011. As directed, we are reporting to your Board every other week with data regarding local worker hiring efforts for the Harbor-UCLA Surgery/Emergency Replacement project.

We are using a new software on this project to facilitate tracking certified payroll, monitoring for labor compliance as required in the design-build legislation, and reporting on local worker hiring. During this reporting period, we identified some erroneous data that appears to result from programming issues with the software. Therefore, we do not have updated information for this period. We have been working closely with the software vendor and expect to have this corrected for our next report. The next cumulative reports will include data covering both reporting periods of June 26, 2011, and July 18, 2011.

If you have any questions regarding this matter, please contact me or your staff may call David Howard, Assistant Deputy Director, at (626) 300-2300.
